Message from the Leadership Team

So it's summer time. For some a time to rest and recharge, a time for fresh challenge and revelation, a time to get away from it all. Or maybe for some it's simply the same old routine. As in previous years, our Sunday evening services will not be happening, but this brings different opportunities. We have a picnic in the park, a barbecue on Walney and maybe trips to the beach. In short, a time to be together, to talk together, to get to know one another rather than just sit in a building together. The early church did everything together, sharing meals, sharing homes and sharing their lives. This summer lets get together in different ways yet still keep God at the centre.

Please pray for the two camps this year. Keswick - where approximately 50 of us will be camping including several of our youth club children who have never been before. Soul Survivor - a festival in Somerset where between 12 and 15 thousand young people will be inspired to grow as Christians or take the first steps as Christians. This year we are taking a larger group than normal so pray for Ros and myself as we travel and support our young people here.
