Message from the Leadership Team

There has been such encouragement lately with the start of the new style of outreach on Walney. It has been great to see so many from the fellowship serving in so many ways, including leaflet distribution, providing food, serving on the day and much more. On the nights themselves we have seen people come in who wouldn't normally be in "church" as well as seeing Spring Mount folk coming along that wouldn't normally be involved on a Sunday evening. It would of course be amazing to see more responding to the leaflets but to see the church stepping out in such a way has been a real blessing. Lets pray for more of His power, lets pray for those that are yet to come and respond, and lets look to step out in faith and serve Him more often.
